

ADVA NTA GE

Advantage is an award-winning project design company based in Northern Ireland that has been delivering life changing, creative solutions for young people in some of the world's most challenging environments for over twenty-five years

TWENTY FIVE YEARS

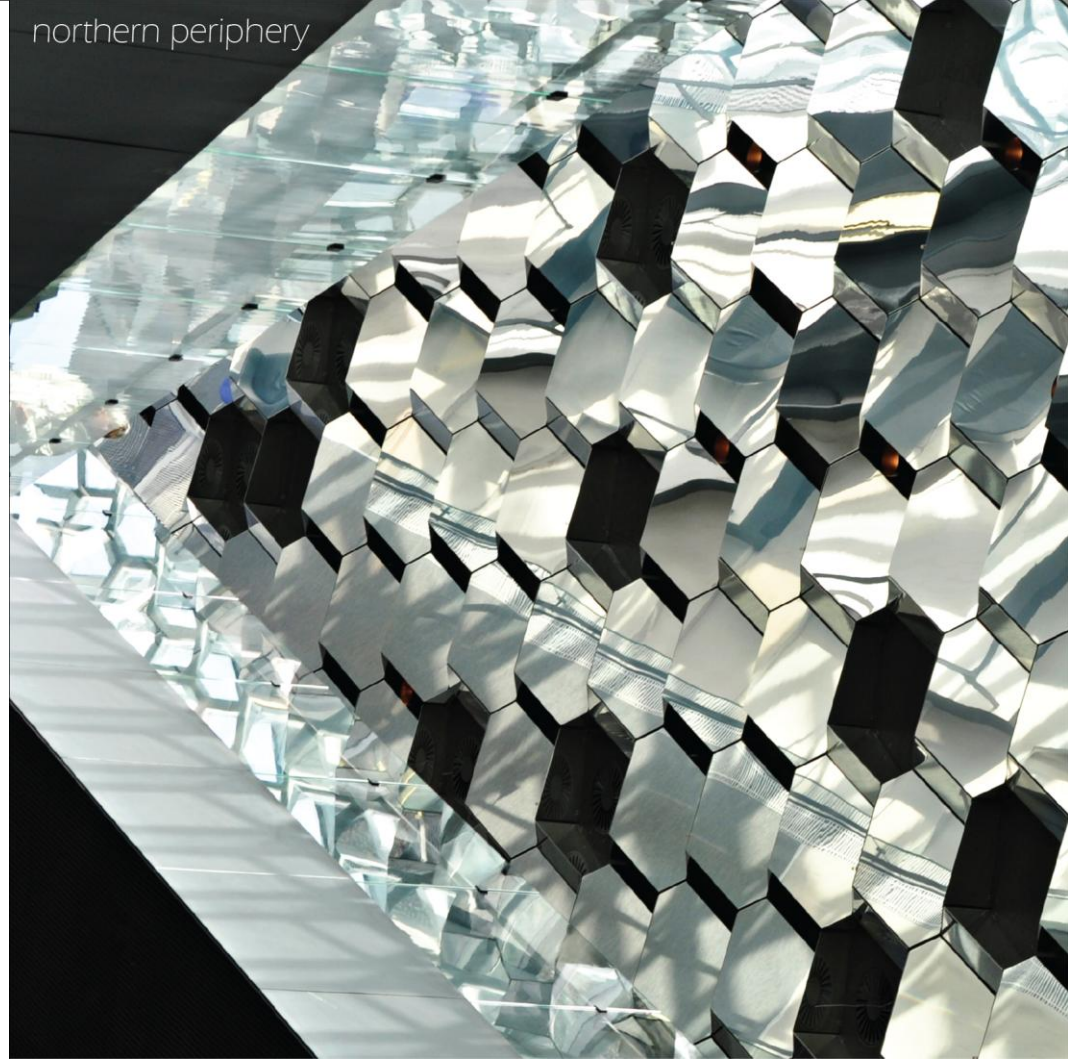

"You have worked tirelessly over the last twenty-five years to promote entrepreneurship and have designed, developed and delivered innovative programmes to change the hearts and minds of young people"

Arlene Foster
First Minister of Northern Ireland

25 COUNTRIES

Advantage has designed and delivered projects that have engaged more than 150,000 young people from all over the world

HOSTILE ENVIRONMENTS

"I'm most grateful that you were willing to come out to this rather unforgiving environment and share your knowledge and enthusiasm with the local business community. You made a significant contribution to the success of the programme"

Alice Walpole
HM Consul General, Basra
